The Attractions Bringing Many Visitors to the City.

LIST OF FLORAL HALL PREMIUMS.

Yesterday was an another ideal fair day, and the attendance at the grounds was an increase over that of the opening day.

The races, with the attractive Floral Hall, the splendid music by the First Regiment Band, the performances by Prof. Buckley in high pedestal and roller skating act, Prof. Pearce Holmes the juggler and the Melrozes, the mid-air bicyclists, all on the grounds, give one a full return for the money he invests in the purchase of a ticket.

The track in front of the Amphitheater will be kept sprinkled today and tomorrow, so that patrons may not be annoyed with the dust.

Yesterday extra entertainment was furnished in the trap shooting, clubs from Shannon, Needmore, Huntington, W. Va., and this city participating. D. HECHINGER & CO.

Nearly all who have visited Maysville's Fairs know that all courtesies that can be extended are received at Hechinger's Clothing House. It is generally believed that the Elks Fair will excel all previous Fairs held here before. Doubtless hundreds of people will be here who have not attended former Maysville Fairs. To friends and strangers we extend the hospitality of our house: come in and make yourselves perfectly at home. Incidentally, if you have any curiosity, we can tell you what men of fashion will wear this fall and winter. Ask us. We have got in our entire Fall and Winter Stock of Clothing, Gents' Furnishing Goods, Hats, etc.

To those who wear our Clothing it is a well-known fact that we handle the very best, namely, Stein-Bloch, L. Adler Bros. & Co., Michaels, Stern & Co., Garson, Meyer & Co., all Rochester made goods, which city is noted for making the best men's and Boys' Clothing in the world. We have sold them for years, and our experience has been we have never had a dissatisfied customer who bought any of the above named brands. Our John B. Stetson Co. fall line of Hats is now open for your inspection; we want you to see them. You will not be importuned to buy; we just want you to look at them.

Our Neckwear and Shirt Departments are replete with the latest novelties for this fall. Ask us to show you the "Funtion Tie." Gentlemen who are going to attend the Fair Hops during the week, and did not bring their dress suits with them, can secure very handsome ones from us for the occasion. How about your feet? Hope they are not worrying you. No man can develop the better part of his nature while his feet ache. Aside from making himself disagreeable to others, he loses considerable of life's sunshine. He is thinking of his feet. It is good business to buy shoes intelligently. The Hanan & Son, W. L. Douglas, both of which lines are confined to us, are the smartest Shoes for men on the market. They wear longest, look best and feel broken-in from the start. We warrant every pair that we sell; money back if they do not give satisfaction. Once more, come in and see us while you are in town, whether you want to buy or not.
